<ul style="list-style-type: none"> <li>• Receive funding approval</li> <li>• Complete building</li> <li>• Implement</li> </ul>	April 2015 June 2016 June 2017	
Help Desk Consolidation		Joe
<ul style="list-style-type: none"> <li>• Authorize software support</li> </ul>	March 2015	

## **Planning is ongoing for the following projects:**

- Migration of Banner 8 to Banner 9
- Consolidation of (TCC + ISD) data storage and Red Hat Linux infrastructures
- Creation of the ACH submittal network
- Touchnet upgrade
- RAVE emergency notification integration
- Admissions (Grad, Undergrad, Foreign) email creation with attendant Terms of Service acceptance.
- Revision of ITC billing system
- Installation of Oracle RAC
- Creation of failover and disaster recovery policies / test failover
- Simplify the templates used by students in the labs.
- Conversion of Banner scripts to be user runnable
- Complete the HR conversion to Banner
- Decision on Time Entry systems for EMRTC and BOG
- Complete rollout of Banner Document Imaging and establish document retention policies
- Develop a cost-effective training model
- Prepare admissions for the deployment of a CRM module
- Resolve banner security issues
- Provide support for Libros changeout
- Work to develop a comprehensive set of fire alarm management and response policies and procedures
- Deploy Banner linkages to mobile web apps.
- Evaluate compliance issues and rectify
- Deploy Banner Central Receiving
- Split Langmuir Lab from Physics within the financial system and retain Langmuir Lab history.
- Deploy the new Active Directory structure
