FY2021 Air Force Research Lab Summer Faculty Fellowship Program

Application Period: 1 September – 30 November 2020

Bolstering Research Program Activities and Building Critical Links Between Air Force Scientists and Academia

The Air Force Research Lab Summer Faculty Fellowship Program offers hands-on exposure to Air Force research challenges through 8- to 12-week research residencies at participating Air Force research facilities for full-time science, mathematics, and engineering faculty from U.S. Colleges and Universities.

PROGRAM SPANS VARIOUS TECHNICAL AREAS

OVER 450 RESEARCH PROGRAMS

- Laser Systems
- Defensive Space Control
- Engineering Physics
- Cyber and Information Technology
- Aerospace Sensing Technologies
- Weapons Modeling and Simulation
- Intelligence, Surveillance and Reconnaissance
- Aeronautical and Astronautical Engineering
- High-Power Electromagnetics
- Space Situational Awareness
- Nuclear Engineering
- Mathematics and Statistics
- Safety In Military Operations
- Electrical and Computer Engineering
- Engineering Applications of Materials
- Operational Sciences and Logistics
- Responsive Space and All Areas of Small Satellite Development
- Directed Energy and Electro-Optics
- Test and Evaluation of Air, Space and Cyber Systems
- Behavioral, Physical, and Physiological Aspects of Human Performance
- And more...

Participating Air Force Research Facilities

- AFRL/RD—Directed Energy
- AFRL/RH—Airman Systems
- AFRL/RI—Information
- AFRL/RQ—Aerospace Systems
- AFRL/RV—Space Vehicles
- AFRL/RW—Munitions
- AFRL/RX—Materials and Manufacturing
- AFRL/RY—Sensors
- Air Force Institute of Technology
- Air Force Test Center
- U.S. Air Force Academy

Faculty members from HBCU/MI/HSI/TI as designated by the U.S. Department of Education are especially encouraged to apply
