** Divisions of labor are guidelines, subject to negotiation in offer letter. (Can we require someone externally funded to do service?)

* Non-voting faculty can share their opinions/concerns with the chair, preferably in writing.

+ Does it matter whether funding is external or from AA? (Does not vote on purely academic decisions)

|| 0<X<20 depending on funding source

@ It was suggested that non-voters also can't attend

Version 0.50 (10/6/17 before Grad Council meeting)

Voting rights depend on whether there is a long-term commitment.
