

Faculty Senate Chair

I am willing to serve as Chair of the Faculty Senate for 2013-2014 because, with recent changes, I perceive an opportunity to help restore a sense of shared governance between the faculty, staff, and administration. This is crucial in enabling Tech to overcome the exceptionally difficult challenges facing us and all of higher education in the present age. Tech is a gem, but it will flourish only if all hands work toward its betterment.

Professor of Physics

Faculty Senate Vice-Chair

As I transition into a senior member of the faculty at New Mexico Tech, I would welcome the opportunity to serve as Vice-Chair of the Faculty Senate. I am grateful to be affiliated with the Institute, and look forward to working with the Faculty Senate as we do our part in support of the Institute.

Kevin Wedeward
Professor of Electrical Engineering

Parliamentarian

I believe that the Faculty Senate plays a critical role in the shared governance of the university, and I would be happy to serve in any way to make the proceedings run as smoothly and efficiently as possible. I am also happy for the opportunity to learn more about Faculty Senate procedures from my more experienced colleagues.
