

PHYSICS 570 – Master's of Science Teaching

“Electricity”

**Lecture 17 – Electricity to heat and
calorimetry**

**Instructor – Richard Sonnenfeld
mpsonnenfeld@gmail.com**

575-835-6434

Windup

Now you know ...

Charge

Current

Electric Field

Coulomb's Law

Voltage

Resistance

Resistivity

Simple Circuits

How to calculate electrical power and
electrical energy ...

Windup

Now you know ...

The foundation of modern technology

Let your students soar ...
