

## CURRICULUM VITAE

---

**Name:** Christoph Schmidt

**Born:** 28<sup>th</sup> of December 1978 in Fürstfeldbruck, Germany

**Contact:**

Meteorological Institute, University of Munich  
Theresienstr. 37  
80333 Munich  
Germany

Phone: +49/89/2180 4182

Fax: +49/89/2180 4327

Email: [schmidt@meteo.physik.uni-muenchen.de](mailto:schmidt@meteo.physik.uni-muenchen.de)

---

### Education

**07/2008-present**

PhD at the Meteorological Institute, University of Munich, Germany.

Thesis: "Tropical cyclone behaviour in a minimal axisymmetric model"

**08/2005-06/2006**

Studies in polar meteorology, glaciology and oceanography at the University Centre in Svalbard (UNIS), Norway.

**10/2004-06/2008**

Studies at the department of physics, LMU Munich, Germany. Diploma in Meteorology.

Diploma thesis: "Nonlinear waves ahead of Fronts in the Great Australian Bight"

**10/2002-10/2004**

Studies at the department of physics, LMU Munich, Germany. Intermediate diploma in Geophysics.

### Scientific Activities

**October 2008:** Visiting Scientist at the NOAA Hurricane Research Division, Miami, Florida.

**May 2006:** Scientific cruise north of Spitsbergen and Wahlenbergfjord, Nordaustlandet, Svalbard.

**April 2006:** Fieldwork on Slakbreen glacier, Spitsbergen.

**December 2005:** Graduate course in polar atmosphere chemistry, Ny Ålesund, Spitsbergen.

**September 2005:** Fieldwork in polar meteorology in Adventdalen, Spitsbergen.

### Skills

Computer skills: Fortran, IDL, Matlab, HTML, UNIX/LINUX

Languages: German (mother language), English (fluent), Norwegian (intermediate), French (basic)
