EDUCATION

- 2008- MSc studies in Physics
University of Split, Faculty of Natural Sciences and Mathematics, Croatia
- 2008 Summer school in Physics of the Climate System
Utrecht University, Faculty of Science, The Netherlands
- 2007-2008 BSc studies in Physics (thesis "Effects of saturation fraction on precipitation in Croatia")
University of Split, Faculty of Natural Sciences and Mathematics, Croatia
- 2006 Summer internship
Ecole Polytechnique Federale de Lausanne, Lausanne, Switzerland
- 2002-2007 Undergraduate studies in Physics
University of Zagreb, Faculty of Sciences, Croatia
- 2002 Secondary School Diploma, Croatia

ACHIEVEMENTS/AWARDS

- 2002 Scholarship of the Istrian Region

PRESENTATIONS

Oral presentations

- 2008 "Measuring volatile organic trace gases in the air"
Summer school in Physics of the Climate System, Utrecht, The Netherlands
- 2003 "Light pollution analysis of the Istrian Peninsula"
International Conference for Physics Students, Odense, Denmark
- 2003 "Light pollution"
Science Fair, Zagreb, Croatia

Poster presentations

- 2003 Scientific meeting of the Croatian Physical Society, Zagreb, Croatia

TEACHING EXPERIENCE

- 2004 Lead a research group of 2 students during Summer School of Science, Visnjan, Croatia
- 2003 Lead a research group of 3 students during Summer School of Science, Visnjan, Croatia

LANGUAGES

Croatian (mother tongue), English (fluent), Italian (intermediate), German (basic)

SKILLS

FORTRAN, C, PASCAL, BASIC, PERL, LabView and HTML programming languages.
Use of OriginPro, SigmaPlot, Igor, R, MS Office Suite.
