

Curriculum vitae

Jaša Čalogović

Personal

Address:

Srpanjska 10, 10000 Zagreb

Tel: +385 (0)91 7886 498, +385 (0)1 3872 618

Faculty of Geodesy
Kačićeva 26, 10000 Zagreb
Tel: +385 (0)1 4639 279
E-mail: jcalogovic@geof.hr

Date and place of birth: 24.3.1980, Zagreb

Citizenship: Croatian

Education

2005

Diploma in Environmental Sciences (MSc ETH) at Swiss Federal Institute of Technology (ETH Zürich): an interdisciplinary study aimed at analyzing environmental problems using scientific methods;
Specialization in the field of Physics and Atmosphere

1998 – 1999

Juventus School, Zürich: preparation for ETH entry exams
German language course

1994 – 1998

High School in Zagreb, Croatia

Experience

2007 - present

Research Assistant at Hvar Observatory, Faculty of Geodesy, University of Zagreb, Croatia.

Dec. 2005 – Oct. 2006

Research Assistant at Physikalisches Institut, University of Berne, Switzerland: Study of the impact of cosmic rays on cloud cover, development of Matlab scripts to analyze clouds data

Feb. 2005 – Sep. 2005

Diploma Work at EAWAG, Dübendorf, Switzerland: Forbush decreases and cloud cover - the impact of cosmic rays on Earth climate

2004

Semester projects at ETH Zürich:

- Light pollution - situation, impacts, solutions
- Success story of ICIPE in Kenya - sustainable agriculture in Africa

2003

ETH-UNS Case Study (ETH Zürich): Recreation in Basel – mobility and city development in the future”

Nov. 2002 – Mar. 2003

Practical training at Paul Scherrer Institute (PSI), Villigen, Switzerland: Analysis of PAHs degradation and the development of corresponding chemical models using the PSI smog chamber

Awards

2006

2nd Prize Poster Award at "Research at Jungfraujoch – Top of Science" Conference (11.-14.9.2006), Interlaken, Switzerland

Languages

German: fluent, level C2 in the European language scale

English: fluent, level C1 in the European language scale

Croatian: mother tongue

Computer knowledge

Operating systems: Unix (Linux) & Windows

Programming languages: PHP, Perl, C, HTML

Matlab, MS Office, Adobe Photoshop, Macromedia

Dreamweaver, Mathematica, Corel Draw, Igor Pro.

Personal interests

Astronomy, photography, web-publishing,
windsurfing, diving, free climbing.

Publications
