
Nauman Khurshid Awan

Wegener Center for Climate and Global
Change,
Leechgasse 25, 8010, Graz,
Austria

Phone: +43 (0)316 380 8449
Fax: +43 (0)316 380 9830
email: nauman.awan@edu.uni-graz.at

Academic

Karl Franzens University, Graz, Austria

2007 - Present

Currently pursuing PhD in the Wegener Center for Climate and Global
Change

Advisor:

Dr. Gottfried Kirchengast

Co-Advisor: Dr. Andreas Gobiet

PhD Thesis

High resolution climate change scenarios for the Austrian Alpine region
and some selected regions of South-Asia

Quaid-i-Azam University, Islamabad

2004-2006

M.Phil. research on “Efficiency measurement of a cylindrical shape
scintillator detector, A Monte Carlo Simulation Study”.

Advisor: Dr. Qaisar Abbas Naqvi

Allama Iqbal Open University, Islamabad

2003

M.Sc. in Physics

The University of Punjab, Lahore

2000

B.Sc. with Physics and Mathematics

Positions

Visiting Scientist, Wegener Center for Climate and Global Change,
Karl Franzens University, Graz, Austria

2007 – Present

Research Fellow, Global Change Impact Studies Center, Islamabad,
Pakistan

2005 - 2007

Broad Scientific Interests

Computational Physics, Regional Climate Modeling, Physical
Parameterizations, Process studies, Real time coupling, Mountain
Climatology, Hydrological cycle
