

Curriculum vitae

KARMEN BABIĆ

PERSONAL DETAILS

Name: Karmen Babić
Date and place of Birth: 8th December 1984, Travnik, BiH
Address: Cernička 35, 10000 Zagreb, Croatia
Telephone- work: 00 385 1 460 5926
- mobile: 00 385 98 368 108
E-mail: babick@gfz.hr

WORK EXPERIENCE

2011- Research and Teaching Assistant on the project “Air quality over a complex topography”, Department of Geophysics, Faculty of Science, University of Zagreb

EDUCATION

2011- PhD Student at the Department of Geophysics, Faculty of Science, University of Zagreb
2003-2010 Dipl. ing. fizike (Master of Physics-Geophysics), July 2010, University of Zagreb, Faculty of Science, Department of Geophysics. Thesis title: “Effects of sea/land breezes on deep convection development over Istria”

AWARDS

2009 Rector's award for the student paper “Interaction between the sea-breeze and the cumulonimbus cloud over Istria during summer months ”

CONFERENCES

An interaction between sea breezes and cumulonimbus clouds over Istria during summer months // *European Geosciences Union General Assembly 2010*. Vienna, 2010, (poster, abstract, scientific)

The summer convective activity above Croatia // *European Geosciences Union General Assembly 2011*. Vienna, 2011, (poster, abstract, scientific)
